

Season's Greetings from TCI & ECS – A Look Back at 2025

From all of us here at TCI and ECS, we wish you a joyful Christmas and a happy and prosperous New Year filled with peace, success, and new opportunities.

As the holiday season approaches, we want to extend our heartfelt thanks for your continued partnership and support throughout 2025. It's been a year of exciting growth, innovation, and collaboration - and we couldn't have done it without you.

A Look Back on 2025

This year has been packed with milestones and memorable moments. Here are just a few highlights:

-  SPX Technologies acquired Kranze Technology Solutions (KTS), strengthening our capabilities in Data Links, COMINT, and RF Countermeasures.
-  ECS achieved ISO 9001:2015 re-certification with zero non-conformances maintaining a flawless audit record for over three years.
-  TCI was selected by Botswana's BOCRA to deliver a turnkey Automated Spectrum Monitoring System.

-  ECS was chosen to provide advanced data link capabilities for NPAS's new Airbus helicopter fleet.
-  Romania's new Spectrum & GPS Signal Monitoring Lab launched in collaboration with TCI, MApN, and StarC4Sys.
-  TCI hosted USTTI 2025 training in Fremont, CA, welcoming 35 representatives from 25 countries.
-  We launched the 955/957 Rackmount COMINT RF systems and soft-launched ECS Connect at DSEI 2025.
-  Our teams showcased cutting-edge solutions at global events including IDEX, AOC Europe, Indo Defence, EW Live, DSEI London, European Rotors and Milipol, Paris.
-  We celebrated the 10-year Anniversary of SPX
-  ECS Connect launched at European Rotors and Milipol.

We're proud of what we've accomplished together and look forward to an even brighter 2026 - follow us on Instagram and LinkedIn to stay connected and keep up to date with what's ahead:
